Protective headgear - all persons must wear securely fastened protective headgear whenever riding a horse or aboard a carriage at all times at the event location. (Article C928).

Membership: American Drivers must provide proof of PL&PD insurance and be a current USEF or ADS member or pay the ADS non-member fee $30;
Canadian Drivers must hold a valid EC Sport License for highest division entered (Training or Preliminary = bronze; Intermediate = silver; Advanced = gold; FEI = platinum).

Eligibility/qualifications:
- FEI division - drivers without a FEI star rating may enter CAI-1* for dressage and cones and optional Advanced (CAN) marathon class. Drivers require FEI 2* rating or higher to enter CAI-2* classes. All FEI entries must be registered and have permission to compete from: USEF (American drivers) or Equine Canada (Canadian drivers).
- National divisions - Training, Preliminary, Intermediate and Advanced (CAN) entries (see Article 913.3 for eligibility) have 3 options:
  - 1. CDE: Enter all 3 competitions (Dressage, Marathon, Cones) in the same division. Entries are eligible for competition/class and overall awards.
  - 2. CAC: Cross division entry – select one competition for each division qualified to enter. Entries are eligible for competition/class (not overall) awards only. (Article 901.10.5)
  - 3. CT: Select any one of listed Dressage tests and one Cones competition per entry.

US horses: Each horse entering Canada from the USA must be tested with negative results for Equine Infectious Anemia (EIA), using either the AGID or ELISA test, within 6 months of entry into Canada (see further note below), and requires an original US Origin Health Certificate (VS FORM 17145)
certifying the date of EIA test and that the horse was inspected and found healthy within 30 days of entry into Canada. Be sure to use the US Origin Health Certificate as opposed to the Interstate Health Certificate. The VS FORM 17145 is issued by an accredited veterinarian and must be endorsed by the USDA veterinarian in the state of origin. Horses can enter Canada from the USA at any port of entry. Their health certificate is inspected and released by Canada Border Services Agency officers (Canada Customs). They frequently keep a copy – so bring 1 or 2 extra copies. Keep a copy of your health certificate required for return to the USA. The VS FORM 17145 is valid for up to 90 days for return to the USA provided the horse has been at recognized exhibitions/competitions in Canada during the entire stay and provided that the EIA test is still valid, i.e. the horse must have been tested within 6 months of the date of return to the USA. Paperwork for horses returning to the USA within 30 days of entering Canada are inspected and released by US Customs officers. Only horses returning to the USA after a stay of over 30 days in Canada must be inspected by a USDA veterinarian at the US port of entry.

Dogs must be on leash at all times while on the site. Nuisance or loose dogs will be impounded; retrieval fine: $50.

Awards: All entries are eligible for each division/turnout/class. Dressage and Marathon presented at Saturday evening dinner. The course will include a mixture of pleasure and CDE type obstacles. (The course and most obstacles will be different than those used for the pleasure show cross country course). The drive is intended to be informal and fun as an introduction to the more formal CDE marathon courses. The course may be driven as a single event for exhibitors not entering the combined test or super derby. Alternatively the whip may declare their intent (no later than Thursday June 8) to drive the course as part of the "Super Combined Cross Country Drive" to be eligible for awards based on the scores in both the combined test and the cross country drive. The drive will be offered with the same divisions as the combined test (other than Junior to drive). Each class will have a specified optimum time for completion of the course. The course will be scored with time penalties over or under the optimum time plus any obstacle penalties. Exhibitors are encouraged to familiarize themselves with the CDE type multiple gate obstacles. Super Combined pleasure Drive: Six ribbons and a special trophy will be awarded to the turnouts based on the lowest number of penalty points in the combination of the Combined Test and the Cross Country Drive for each of the combined test divisions. Cross Country Pleasure Drive: Six ribbons and a trophy will be awarded to the turnouts based on the lowest number of penalty points for each of the VSE single or pairs, single pony, single horse, or multiple or pair horse and pony. It is intended that exhibitors may be able to enter all three events, the combined testy, super derby and the cross country drive.

GOLF CARTS AND ATVS

According to Equisure, the company that insures the American Driving Society, more claims are made each year because of accidents relating to golf carts and ATVs than horses and carriages. We can prevent most of these accidents by using common sense. Please follow these simple rules:

• **Do not allow unlicensed drivers to operate golf carts or ATVs.**
• Drive it only on the track of the course or where allowed by the competition. Remember that competitions are often held on private property and that golf carts and ATVs can get stuck on wet ground.
• Don’t overload the golf cart or ATV with too many people. This is not only unsafe, but is probably not good for the cart either.

MOTORIZED VEHICLE STATEMENT

Minors who do not have a valid driver’s license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver’s license. **The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation.** Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
