Recreational Driving:

Please attach your Hours of Driving Log form each year for hours driven between December 1 to November 1st. Hours are cumulative over the years up to your 21st birthday for pins but youth championships are only counted by the hours driven in that calendar year. Each entry has to be signed by an adult ADS member to be considered and correct. Only hours driven by you may be entered. Do not enter hours driven as a groom or passenger.

Please use my 2018 Hours To Drive for the Recreational Youth Championship.
