NASHOBA CARRIAGE CLASSIC AWARDS

Concours d'Elegance. Awarded separately to Carriage and to Sidesaddle: The essence of the competition is the word "Elegance". The winner will be the turnout which presents the most elegant effect. This will include vehicle, harness, appointments, horses, driver, passengers, grooms, etc., but above all, general impression is most important. Vehicle and harness may be inspected to ensure thoughtful restoration and careful maintenance. Attention will be paid to the personal appearance of the driver, grooms, and passengers as it contributes to the overall picture. Period costumes are definitely prohibited, unless otherwise stated in the prize list. Performance will not be judged unless it detracts from the elegance of the turnout.

High Point Welsh Trophy: Trophy is awarded by Rollingwoods Farm to the registered Welsh entry that accumulates the highest number of points in the Nashoba Carriage Classic Pleasure Show. This does not include Concours d'Elegance, Nashoba Favorites, or Magnolia Drive.

High Point Sidesaddle Trophy: Trophy is awarded by Mid-South Sidesaddle Association to the sidesaddle entry that accumulates the highest number of points while riding aside at the Nashoba Carriage Classic Pleasure Show. Classes to be considered for the High Point: Open Equitation and Open Pleasure Walk-Trot, Open Equitation and Open Pleasure Walk-Trot-Canter, Command Class Walk-Trot, Hunter Hack 18", and Magnolia Drive (Sidesaddle).

High Point Adult Trophy: Trophy is awarded to the senior driver who accumulates the highest number of points in the Nashoba Carriage Classic Pleasure Show. This does not include Concours d'Elegance, Nashoba Favorites, or Magnolia Drive.

Peoples' Choice Award for Best Carriage Picnic: Sponsored by the Shifflette Family for most popular carriage picnic. Awarded separately from judge's placings in Class 1.

AWARDING POINTS FOR HIGH POINT TROPHIES

Points at the Nashoba Carriage Classic are awarded in accordance with a weighted scoring system. The weighted system is used to fairly distribute points to competitors with the most competition in a given class. A competitor winning a class with fewer entries will not be awarded the same number of points as someone competing in a class with six or more entries.

	6+ Entries	5 Entries	4 Entries	3 Entries	2 Entries	1 Entry
First	7	5	3	2	1	0
Second	5	3	2	1	0.5	0
Third	3	2	1	0.5	0	0
Fourth	2	1	0.5	0	0	0
Fifth	1	0.5	0	0	0	0
Sixth	0.5	0	0	0	0	0

Show management reserves the right to drop or combine divisions/classes when entries warrant.

CLASS SPECIFICATIONS

Class Size: Three entries constitute a class. In the event there are two or fewer entries per class, management reserves the right to combine or cancel any class. Management reserves the right to add or divide any class, or make any changes required by circumstances.

Horse & Pony Size: Horses over 14.2 hands (58" / 147cm) in height will be classified as horses; those 14.2 hands and under will be classified as ponies. Exception: A registered horse of a breed permitting horses to be 14.2 or under (e.g., Arabian, Morgan, Quarter Horse) may show in either division but only one size division at the same show (i.e., as a pony or a horse). If an equine is under 14.2 hands but also eligible to compete in the Horse Division (e.g., Gypsy Vanner, Haflinger, and Fell Pony), it does not qualify to compete in the Draft Horse Division.

Multiple Entries: Horses and ponies used in multiple turnouts may also be driven singly. The same turnout may be driven in more than one division without altering the course.

Junior Drivers: Juniors must not have reached their 18th birthday as of December 31st of this year. Junior drivers must wear an ASTM/SEI approved helmet in all classes. Junior drivers under 14 must be accompanied by an adult who is a knowledgeable driver. The same turnout may be driven by both a junior driver and an adult. Juniors must wear helmets in all classes.

Wire Wheel and Pneumatic Tired-Vehicles are permitted.

Grooms/Passengers: A groom is optional for all single turnouts at all times at the event location except for turnouts with an equine 120 cm or taller competing in the Driving Derby. Four-in-hands and unicorns are required to have two grooms or passengers on the vehicle to assist in the event of difficulty. Pairs or tandems are required to carry one groom.

Dress/Harness: Drivers and passengers will be dressed conservatively according to the style of their vehicle for pleasure driving classes. No period costumes unless specifically called for. Driving aprons or lap robes, hats, gloves, and driving whip are required while driving in all classes (unless waived by the judge). Martingales and overchecks are prohibited in obstacle classes for all vehicles. **Helmets are strongly encouraged for all classes but mandatory for juniors (17 and under) and for anyone participating in the Driving Derby!**

Vehicles: Entrants may use more than one vehicle for nonchampionship classes. However, for division championships, an entry is defined as the driver, the equine(s), and the vehicle; any change in the above within a division requires the turnout to carry a different number.

Important: Release Waivers must be signed for all passengers.

One or more rounds over a course consisting of pairs of cones and marathon-type obstacles. Width measurement of obstacles will be at least 2 meters. A round is run as a timed competition with penalties converted to seconds. Total time determines placings and the lowest time wins. The times plus penalty scores for multiple rounds are added to produce final scores and placings. Ties will be broken by the fewest penalty points, a drive-off, or may remain at management discretion.

An equine may compete no more than three rounds in a single day.

Course: All competitors will do Gates A, B, C, D.

Eligibility: Competition is open to equines and athletes in all divisions. Classes may consist of VSE, Small Pony, Large Pony, & Horse turned out as singles, pairs, tandems, unicorns, and four-in-hands. Classes may be combined at Organizer's discretion.

Carriage: Marathon-type carriage with iron or solid-rubber tires is encouraged. There are no required weights or track widths. Harness: Bridle must have noseband. No type of check or auxiliary reins is allowed. Breeching is required for all single turnouts and for any vehicle without brakes.

Groom(s):

- a. Singles, pairs and tandems: One groom required at all times except single VSE and single Small Pony.
- b. Unicorns and four-in-hands: Two grooms at all times except VSE, which is only required one groom.

PLEASURE SHOW/ CHAMPIONSHIP CLASSES

Turnout: A Pleasure Driving class in which entries are judged primarily on the performance and quality of each turnout. To be shown both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back. To be judged:

- 70% on the condition, fit and appropriateness of harness and vehicle, spares and appointments, neatness and appropriateness of attire and overall impression.
- 30% on performance, manners and way of going.

Timed Obstacles: To be driven over a prescribed course of 14-18 obstacles. After passing the starting line, the driver shall proceed through each obstacle in order to the finish line. Faults are scored as penalty seconds and are added to the driver's elapsed time. Places are determined by low time basis. Ties for first will be decided by a drive off. Standard width measurement of obstacles will be in meters: Pairs & Multiples 2.0, Horse 2.0, Pony 1.8, VSE 1.5.

Working: A pleasure driving class in which entries are judged primarily on the suitability of the horse to provide a pleasant drive. To be shown both ways of the ring at a walk, slow trot, working trot, and strong trot (Draft Horse Division—walk, slow trot, and working trot). Entries will be required to stand quietly and rein back. All entries chosen for a workout may be worked both ways of the ring at any gait requested by the judge, and may be asked to execute a figure eight. To be judged: 70% on performance, manners, and way of going; 20% on condition and fit of harness and vehicle; and 10% on neatness of attire.

Reinsmanship: A pleasure driving class in which entries are judged primarily on the ability and skill of the driver. To be shown both ways of the ring at a walk, slow trot, working trot and strong trot. Drivers shall be required to rein back. All drivers chosen for a workout may be worked at any gait requested by the judge and may be asked to execute appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent "feel" with the horse's mouth. Drivers should not be penalized or rewarded for using one general style over another. To be judged: 75% on handling of reins and whip, control, posture, and overall impression of driver; 25% on the condition of harness and vehicle and neatness of attire.

Fault and Out: A timed course of numbered obstacles to be driven at the trot. The number of obstacles to be proportionate to the dimensions of the driving area and not to exceed 10 obstacles. After passing through the start markers, the driver proceeds through each consecutively numbered obstacle, in order, until the allowed time expires (suggested time, 90 seconds to two minutes), or until an obstacle is dislodged or a disobedience occurs. If all the obstacles are driven cleanly before the allowed time expires, the driver will begin the course again, starting with obstacle #1, without having to pass through the Start markers. (However, passing through the Start markers more than once is not considered "off course" and is not penalized.) Two points will be scored for each obstacle cleared before the allowed a disobedience occurs, or an obstacle is dislodged. When the allowed time expires, a disobedience occurs, or an obstacle is dislodged, a signal will be given. The driver then proceeds through the next consecutively numbered obstacle. The time will be taken when the rear axle clears this obstacle. If that obstacle is cleared, one Pleasure Driving point is scored.

PLEASURE SHOW (CONTINUED)

If it is dislodged, no points for that dislodged obstacle are scored, but the time is still taken. The score of a driver who fails to drive the next consecutively numbered obstacle after the whistle is blown counts, up to the point where the signal is given, but the competitor must be placed after those with an equal score and time. Placings will be determined by the greatest number of points. Standard width measurement of obstacles will be in meters: Pairs & Multiples 2.0, Horse 2.0, Pony 1.8, VSE 1.5.

NASHOBA FAVORITES (Nashoba Favorites do not count toward high point trophies.)

Carriage Dog: A fun class for you and your other four-legged friend. The dog may ride in the vehicle, either standing, sitting or lying down. He should be quiet, well behaved and appear to enjoy the ride. The dog may wear a leash but the dog must not be tied to the driver, passengers or to the vehicle. The dog may be held by a passenger in their lap or by a leash.

Astride, Aside, Afoot, or on the Box Costume Parade Class: A class for everyone! No horse required; dogs are allowed but must be on a leash if on foot, or be on the carriage. You may even bring your stick horse! All participants must be in costume. Prizes will be awarded for originality and creativity. Please remember that juniors must wear helmets in all classes.

Picnic Class: To be judged only on the presentation of the driver's picnic display. While the entry will not be judged on the ability to fit all tables/chairs/accoutrements on the carriage, the spread should be in good taste and balanced with the carriage. Formal judging will take place at 4:00, and the People's Choice judging will take place through the conclusion of the Driving Derby.

Drive and Ride: The Drive and Ride Class is conducted according to Nashoba Carriage Classic House Rules, which state that the Drive and Ride Class has two sections that are pinned separately: Walk/Trot (Class 44.1) and Walk/Trot/Canter (Class 44.2).

All entries in the Drive and Ride Class are judged concurrently during the Driving segment of the class but pinned separately according to which section each entry has entered: Walk/Trot or Walk/Trot/Canter. Each entry must designate either Class 44.1 or Class 44.2, and entries may not cross enter into both sections.

All entries in Class 44.1 and Class 44.2 complete the Driving segment concurrently. After the Driving segment is completed, carriages will be removed from the ring and all entries complete the Walk/Trot portion of the Riding segment concurrently. After all entries have performed at the walk and the trot, the Walk/Trot entries come to the center of the ring and the Walk/Trot/Canter entries perform at the canter. Entries must line up separately according to their class number.

All riders and all juniors must wear ASTM/SEI approved helmets. To be judged:

- 50% on performance, manners, way of going and suitability in harness.
- 50% on performance, manners, and way of going under saddle.

Magnolia Drive: To be driven over 3-5k of lovely wooded trails through Germantown woods and neighboring estates. Course simulates a Sunday country drive, and includes small hills and easy terrain. Drive is not timed. Excessive speed is penalized. Entries must pass the spares and safety check before going on course. Grooms/passengers encouraged, but not required with single pony or horse. Magnolia Drive is judged on Working Class Standards (general manners, way of going, suitability of equine for the task, and overall impression) with first through sixth place ribbons. During the Magnolia Drive, Poker Cards will be given. One award for the Highest-Ranking Hand (per Poker Rules) will also be awarded. Sidesaddle is judged separately. The judge will be on the course.

PLEASURE SHOW (CONTINUED)

SIDESADDLE CLASSES

The Sidesaddle Division highlights the tradition and versatility of the seat. Turnouts may be English (Walk, Trot, Canter), Western (Walk, Jog, Lope), Gaited (Walk, Intermediate Gait, Forward Gait), or Period. Appointments should be appropriate to that seat with an overall appearance of good taste and balance.

Divisions: Walk-Trot/Forward Gait (marked with *) and Walk-Trot/Forward Gait, Canter (marked with +). A horse or pony may enter any of the sidesaddle classes. In order to be eligible for a division, the horse or pony must enter ALL three of the designated classes.

- To be eligible for the Walk/Trot Division Championship, entries must be entered in classes 40.1, 41.1, and 45, and cannot enter the 18" Hunter Hack.
- To be eligible for the Walk/Trot/Canter Division Championship, entries must be entered in classes: 42.2, 43.2 and 46
- A Walk/Trot Division rider may enter Class 42.1 and Class 43.1. A Walk/Trot Division rider may not enter Class 46.
- A WTC Division rider may enter Class 40.2, Class 41.2 and Class 45.

Class Numbers: The following classes are to be run concurrently and pinned separately:

40.1 and 40.2
41.1 and 41.2
42.1 and 42.2
43.1 and 43.2

A rider may not cross enter between divisions in classes that are run concurrently.

Open Pleasure: Manners and suitability as a pleasure mount are paramount. Transitions from one gait to another should be smooth and effortless. Horses must be obedient with prompt transitions. Entries should not exhibit extreme motion, speed, or resistance of any type. Horses must stand quietly and back readily in the line-up. Judge may ask for a walk, seated trot, or canter (or corresponding gait for Western, Gaited, or Period entries).

PLEASURE SHOW (CONTINUED)

Open Equitation: The rider adopts a correct position showing suppleness and straightness and is balance with the horse/pony. The rider has a secure seat independent of reins, and applies correct aids unobtrusively and effectively, avoiding unnecessary movement. The horse should move freely forward in a consistent rhythm, be calm, relaxed and obedient to the aids and remain still when halted. Judge may ask for a walk, seated trot, or canter (or corresponding gait for Western, Gaited, or Period entries). The judge may ask the riders questions or select at least one-fourth of the class to work-off at the appropriate gaits (no dismounting).

Command Class: To be judged 100% on the ability of the rider to complete the judge's requests. The judge will call out a series of commands to the participants, with gaits not exceeding a trot. They may include figure 8, turn on the forehand, turn on the haunches, sidepass, rein back. Participants should be able to start the command within six steps. The judge may call any other command out to "eliminate" the participants or to judge their places in the class. Volunteers will act as "spotters" to help the judge.

Hunter Hack 18": To be shown at a walk, trot and canter both ways of the ring. Judges may ask for a hand gallop but no more than eight to hand gallop at one time. To jump two fences at 18". To be judged on performance and soundness with an emphasis on manners. Under Saddle performance to count 50%, Over Fences performance to count 50%.
